Great progress at Tobiah Christian Academy

Sitting at the DoubleTree Hotel last year during the CWH dinner, to thank all the donors, and friends of our Children With Hope family, brings fresh and good memories to me. I still remember where some of you were seated! I can see from your faces the love you have for children and Children With Hope. I can see your anxious eyes to see the youngest father of 32 kids - me, Peter.

It was during this evening Tobiah Christian Academy was born after being conceived for some years. We sat down and talked about the physical, emotional, mental, and spiritual being of the child. Today Tobiah Christian Academy is progressing, even with a "doubting Thomas" eye you can tell that the building you see will soon be a school. We are getting closer to the final stretch! Still roofing to go, painting, tiling, ceiling boards, toilets, and equipment for the school.

I want to *thank all of you for giving towards this noble cause.* **You are part of the team that is building this nation.** I want you to know that the children are praying, the workers are praying and my wife and I are praying for you and for the funds to come to complete the school.

Thanks and God bless you - Peter Bwire, House Dad/Kenyan Executive Director

We are excited to report all is well in Eldoret and at Tobiah Home since the August 8th Presidential elections.

Although there was rioting and violence in other cities, extra security was put into place in Eldoret and no violence broke out. Praise Jesus!

Every Sunday the Tobiah children attend church where the older children sing in the choir. Soon the children's choir will have a CD released.

The school aged children all performed well on the end-term exams.

Alice, the oldest, represented her school in a Musical Festival at the National level.
