

Vincent & Darius

THANK
YOU!

YOUR GENEROSITY IN ACTION: A Look at What Your Donations Accomplished in 2024

1 38 Tobiah children were provided care and monthly sponsorship. Of those children, 8 attended High School and 1 celebrated High School Graduation.

2 \$16k+ from the Book of Wishes provided goats, chickens, eggs, beans, sewing machines, a freezer, whiteboards, syllabus', and books to stock the library.

4 Van purchased for the school to transport children to/from school, and errands.

5 Science Lab in the Jr High School completed.

3 54 Kenyan Employees & Laborers were provided wages, providing a better life for them and their families.

When asked what the next t-shirts should say,
Priscillah, one of the teenagers, came up with the perfect slogan:

HOPE IS US “HOPE IS US” HOPE IS US

Tobiah Family

(Not all pictured)

New foster child arrived
at just 6 days old:

Qwan

*The LORD is good to all, and His
tender mercies are over all His works.
Psalm 145:9*

T3 BUILDING PROJECT

Guest &/or Teacher/Staff Housing

After school or during the weekend, a few of the teenage boys walk a short distance to the T3 project site, eager to help. Whether shoveling rocks, chiseling stones, or carrying pipes, they're learning valuable lessons from Dad Peter and the builders.

Each task, while simple, teaches them about teamwork, precision, and persistence. They're not just working on the

project—they're building skills and life lessons that will last far beyond the construction site. Dirty hands and tired feet are a small price to pay for the lessons they're learning along the way.

BUILDING COMPLETED:

- ✓ Security wall
- ✓ Ground leveling
- ✓ Water tower & piping
- ✓ Electrical conduit
- ✓ Septic
- ✓ Security gates installed
- ✓ Footers for first house

THE JOY YOUR SPONSORSHIP BRINGS

by Alice

It is with great joy that I am writing this letter to you. Hope you are fine and your family is doing great. Words cannot describe the joy that is within my heart. I wonder how I can show my appreciation because words are not enough. Your effort of giving me a good and healthier life has yielded fruits. The joy on my face is

because of you. May the lord bless a thousand and one times. Thank you and thank you again.

You have brought smiles to us. Above all I am grateful to God that we have the opportunity to serve and fellowship together. May showers of blessing fall unto you. May He bless you abundantly and may He restore to you whatever you have spent. Also keep on with the same spirit because God promised a commission given to us by the Lord. Let us use all endeavors to give love to those in need and it will be indeed given back. **Your presence in our life is very mega-important.**

Alice celebrated her High School Graduation this past December and looks forward to attending Beauty school in the fall.

THREE CHILDREN NEED YOUR HELP!

Sponsor a Child!

Jayden
Need:
\$75 mo.

Elias
Need:
\$50 mo.

Steffron
Need:
\$50 mo.

Due to the rising cost of living in Kenya, supporting one child for an entire month costs \$200. While these three children already have one or more sponsors sharing the cost, they still need additional support to be fully covered.

If you're interested in making a difference, you can **commit to sponsoring in any amount**. To become a sponsor today, visit ChildrenWithHope.org. Your contribution helps provide a brighter future for these children!

"Every child is a story to unfold."
- Peter, House Dad

THE CELEBRATION by Narea

As a unique family we had an end of year feast. The celebration that took place was amazing and we celebrated everyone's birthday. Our new chef Jared, with the help of our upcoming chef, Mr. Joshua Caleb (Tobiah child) prepared delicious Indian food. We had a variety of foods and candies from the people in the U.S. that Mum Shari and Aunty Shellie brought to us. After feasting, we heard presentations from our siblings, and dancing was enjoyed by everyone. Prayers took place and after that we all enjoyed ice-cream. It was so fun!

Javan, Celline, Augustus, and Narea

EIGHT HIGH SCHOOLERS

In 2024, we had the privilege of sending eight of our Tobiah Home teenagers to five different high schools within a two-hour radius. They board at these schools during the term and return to Tobiah Home during breaks.

Before we know it, these students will be preparing for college or university. We invite you to consider donating to our Education Fund to support these young people as they pursue higher education and work towards a bright future. Your contribution makes a lasting difference!

Asa, Priscillah, Caren, and Jacob

SAYING GOODBYE & WELCOMING NEW BOARD MEMBERS

This past fall, our ministry experienced a profound loss with the passing of Jesse Dodd, a founding board member. Jesse's unwavering dedication, visionary leadership, and heartfelt

commitment to our cause were instrumental in our growth and success over the years. We honor his memory and are deeply grateful for the many years of faithful service he gave to Children With Hope. His legacy will continue to inspire and guide us as we move forward in our mission.

In the midst of this transition, we are excited to announce the addition of three incredible individuals to the Children With Hope Board. **Please join us in welcoming Sean Brumelle, David Atkinson, and Jenn Hanly!**

We look forward to the exciting work ahead, honoring the past while embracing a hopeful future with our new board members.

PRAYER REQUESTS

- 1) Protection and health for the children and staff at the home and school.
- 2) Successful sale of the old house (T1) and that one of the two interested parties would move forward with the purchase.
- 3) Discernment and wisdom in finalizing the Exit Plan for the children as they graduate and turn 18.
- 4) Safety and protection for those working on the construction of T3.
- 5) Prayers for Qwan, the new baby, for health, growth, and strength.

★ **BIG THANKS** to our child sponsors for your monthly support and gifts you send to the children!

TOBIAH CHRISTIAN ACADEMY

We're excited to share that the school is making great strides! With the addition of our new Head Teacher and Deputy Head Teacher, we're seeing positive changes, especially in our focus on integrating computers into learning.

Our dedicated teaching team continues to have a significant impact, and it's clear their efforts are making a real difference. Elias, for example, now has a newfound love for decimals, fractions, and algebra! We're thrilled to witness such growth and enthusiasm from our students.
