

FRUITS OF YOUR GENEROSITY

Greetings from Tobiah Home and Tobiah Christian Academy & Jr. High in Eldoret, Kenya!

As 2025 has come to a close and a new year has begun, we want to sincerely appreciate each one of you that has been involved with Children with Hope and made this year a success. **The highlights on the next page reflect the life-changing impact God made possible through your generosity in 2025.**

This work of raising children touches every area of life—spiritual, physical, emotional, and social. It is not an easy responsibility and cannot be carried by one person alone. It requires partnership, commitment, time, energy, and resources. We have learned that this work can only be done when we stand together as one team. We truly appreciate your willingness to walk with us and help carry this responsibility.

Every morning, I think about you and how you pray for these children, how you give faithfully and generously, and how you remember this family in your heart. It is because of your care and support that the children have had good food, clean water, medical care, a safe home, school, and most importantly, love. When I see the joy and laughter on their faces, I know it is your kindness that has made it possible.

Tobiah Home is among the few homes that take in orphaned babies both for fostering or for long-term care. With babies, everything must be done carefully. Standards must be high because this is the foundation for these little ones. Your support has helped us give these little ones the care they need from the start.

Your giving has also helped us employ staff and support local vendors. In a country where jobs are very few, this has made a real difference to many families.

For over twenty years God has been faithful to Children with Hope. He has supplied every need at Tobiah Home and Tobiah Christian Academy & Jr. High. We believe that in 2026 God will keep us in his perfect peace.

The needs before us are still many. In the coming year, we will begin preparing for eleven children who will be joining high school in January 2027, in addition to the eight already in high school and one in college. I kindly ask you to keep us in your prayers and, where possible, continue walking with us to achieve the goals.

From Tobiah we say **THANK YOU** and wish you a Happy New Year 2026!

In service to the King,

Peter Lukoye Bwire

Dad, Peter Lukoye Bwire (Kenya Executive Director)
and Mom, Maryanne

PS: In 2026, please tell a friend about
Tobiah Children's Home and Tobiah
Christian Academy & Jr. High!

Thank
You!
