

TOBIAH CHILDREN'S HOME

Serving Orphans and Foster
Children in Eldoret, Kenya.

Silas

Scott

Dear Friends,

April 30, 2026

Every now and then, a need arises that gently invites us to step in a little deeper, and this is one of those moments.

Because of your faithful support, Tobiah Children's Home continues to be a place of love, safety, and hope. And at times, that calling extends to the most fragile among us, newborns and young children who arrive in urgent need of care.

Today, we have two precious baby boys in our home - Silas and Scott. (*Photos included above.*) Their stories began with uncertainty, but they are now surrounded by love, prayer, and tender care each and every day.

You might also notice a shift in how children come into our care. In Kenya, there is an increasing emphasis on foster placements, meaning many of the children entrusted to us are with us for a season rather than long-term. These little ones are typically newborns up to age three, most often infants, arriving in urgent need of love, stability, and care. **At Tobiah Children's Home, we remain committed to saying "yes" to each child God brings to our door, whether for a short time or for a lifetime.**

As we continue to welcome these little ones, we are introducing a new way for you to be part of their care: **Foster Sponsorship.**

It costs approximately \$250 per month to care for one foster child, covering essentials like formula, diapers, medical needs, and around-the-clock care. While one of our babies is currently fully supported, we are seeking 10 individuals to give \$25 per month to help ensure that this care continues, both for the child in our arms today and for the next little one who may arrive at any moment.

We want to share a letter from our house mum in Kenya, Mum Maryanne, whose words beautifully reflect both the joy and the weight of this calling:

"Truly, caring for the children at Tobiah has become my passion and my life's calling. Each day brings a new story to tell or a new lesson to learn from them. These moments have added blessing after blessing to my life; I thank God, our donors, my colleagues, and the children themselves for allowing me to fulfill my purpose as a mum.

Welcoming a new baby into our home is a time of great celebration. We work closely with the Children's Officer to rescue abandoned babies who desperately need love and protection. Many arrive with complex health issues, but through your generosity, we can provide the specialized care they need to smile again.

The hardest part of this calling is the goodbye. Because of government policies regarding foster care, we often have to let children go after we have deeply bonded with them. It is a painful, heartbreaking process, and the weight of these decisions can be overwhelming.

We constantly pray for God's grace to keep our spirits high. I am especially strengthened by the prayers of our U.S. partners. **My heart rests on the promise of Isaiah 40:30-31: that those who hope in the Lord will renew their strength.**

Blessings to you all, Mum Maryanne"

(Mum Maryanne with Scott)

Her words remind us that this work is both beautiful and costly, and that none of it is possible without you.

Become One of 10 Monthly Sponsors – \$25/month

Because foster placements can be short or long-term, children like Silas will eventually move on to their next chapter. Your sponsorship provides for him today, and when that day comes for these foster children to move to a new home, your gift will continue in our foster care bridge, ensuring that a place in our nursery is always fully funded and ready. In this way, you aren't just sponsoring one child, **you are helping us continually say YES** to the next vulnerable baby Mum Maryanne and Dad Peter welcomes into loving arms again and again.

Would you prayerfully consider becoming one of the 10 sponsors at \$25 per month?

Your "YES" means:

-  A newborn/child is held instead of left alone in a hospital bed.
-  A baby or young child receives the nutrition and care they need to grow.
-  A child is surrounded by love in their most vulnerable moments.

Most of all, it means hope.

Mum Maryanne with Silas

Thank you for standing with us, for praying with us, and for loving these little ones so faithfully.

With gratitude and hope,

Children With Hope & the Tobiah Family

Take the Next Step

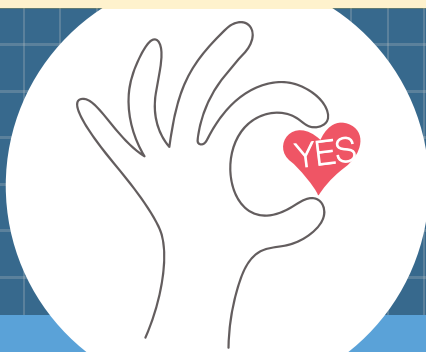

If you feel led to join us in this mission, becoming a monthly sponsor is simple, here are your options:

- Complete and return the enclosed donation card
- Scan the QR code to give online
- Visit childrenwithhope.org and select "Foster Sponsorship"

Your "YES" today helps us be ready for the next child tomorrow.

Did You Know... Tobiah Children's Home has cared for **22 foster children** and welcomed **40 orphaned children** into the Tobiah family - each one a life changed.

Thank you for helping us say
"YES" to every child God brings
to our door.
